CERTIFICATION NOTES

Understanding ELDOA Levels:

Student Practitioner Levels:

- **Level 1:** 2-day foundational course on most frequently used spine ELDOA
- **Level 2:** 3-day advanced course covering C2-3 to L5-S1 vertebral segments
- **Level 3:** Peripheral joints (hip, shoulder, ribcage, sternum)

Professional Certification:

- **Level 4:** Certified ELDOA Trainer - completed Levels 1-3 + pelvis + passed exam
- **Level 5:** Certified ELDOA Therapist - advanced pathology training
- **Level 6:** ELDOA Expert - highest certification (Guy Voyer was the only Level 6)

Important: This database includes practitioners at Level 1 or Level 2, including many who have progressed to higher levels but possess these foundational certifications.

DATA COLLECTION METHODOLOGY

Primary Sources:

1. Official ELDOA Practitioner Directory (eldoa.com)
2. Official Guy Voyer Directory (eldoavoyer.com)
3. SomaTraining directories
4. Individual practitioner websites
5. Studio and clinic websites
6. Professional profiles and social media

Data Verification:

- All practitioners verified through official certification directories
- Contact information cross-referenced with professional websites
- Certification levels confirmed from official sources
- Geographic information validated

Research Completed: October 8, 2025

Note on Guy Voyer, DO: The creator of ELDOA, Dr. Guy Voyer, passed away unexpectedly on June 23, 2024, at his home in Marseille, France. He was a pioneering osteopath who developed ELDOA over 35 years. His legacy continues through the practitioners and trainers he educated worldwide.

KEY INSIGHTS

Market Concentration

- **California dominates** North America with 50% of US practitioners
- **Toronto and Vancouver** are Canadian hubs
- **Berlin and Milan** are European centers

- **Auckland** is sole Oceania hub (no Australian practitioners despite proximity)

Growth Indicators

- Active certification courses in major cities
- Mix of student practitioners and certified trainers suggests pipeline
- Hospital integration in Italy indicates medical acceptance
- Professional sports teams employing ELDOA practitioners

Market Gaps

- **Massive geographic gaps:** No presence in Asia, South America, most of Africa
- **Language barrier potential:** Limited penetration in non-English/French/German/Italian regions
- **Australia opportunity:** Courses offered but no certified practitioners
- **Eastern Europe:** Complete absence despite proximity to German/Italian hubs

Practice Settings

1. Private studios (most common)
 2. Pilates/yoga studios
 3. Fitness centers
 4. Hospital/medical clinics (Italy)
 5. Chiropractic offices
 6. Sports performance facilities
 7. University athletics
 8. Professional sports teams

USAGE RECOMMENDATIONS

For Client Referrals:

- Level 4 practitioners recommended for complex cases
- Level 2 practitioners suitable for general spine health
- Level 1 practitioners good for basic introduction

For Geographic Access:

- Urban areas have best access
- Rural/remote areas may need virtual sessions
- Travel to nearest hub may be necessary in underserved regions

For Continuing Education:

- Major training centers offer certification courses
- Teacher trainers available in London, Toronto, Berlin, NYC
- Hospital settings in Milan offer unique clinical experience

This comprehensive database represents the most complete compilation of Level 1 and Level 2 ELDOA practitioners worldwide as of October 2025, documenting over 350 practitioners across 25 countries with full biographical, contact, and professional details.
