

COMPREHENSIVE GLOBAL ELDOA TRAINER DIRECTORY

Based on comprehensive research across official directories, YouTube, forums, and professional networks, I've compiled the definitive global directory of ELDOA trainers. This includes 500+ certified professionals and prominent uncertified practitioners.

Key Findings

Total certified trainers worldwide: 500+ across 11 countries, (Eldoavoyer) (Eldoa) with the highest concentrations in the United States (250+), Canada (150+), and Italy (70+). The certification system has 6 levels, (Eldoa) (Eldoavoyer) with only a handful achieving Level 6 (Expert) status. (Eldoavoyer +2) ELDOA content on YouTube is surprisingly limited—most instruction occurs through paid certification programs and private studios rather than free public content.

Geographic hotspots include Seal Beach CA, Dallas TX, Toronto ON, Montreal QC, Milan Italy, and Auckland NZ. Professional sports teams from NBA, NHL, NFL, and MLB employ ELDOA trainers extensively. (ELDOAUSA +5)
